

CBBS-GP Lunch Meet

07.11.2025 | 11 a.m. | Haus 91, room 001

On Friday, 7th of November 2025, the first in-person get-together of the CBBS Graduate Program together with the RTG SynAGE and the IRTG of the SFB Neural Resources of Cognition will be held under the headline

Getting Started | Doing a PhD at OVGU

Starting a PhD is a thrilling experience. Most people that start have never done it before. So, you may want to do it properly. But where to start?

- University or research institute; what is the difference?
- What is scientific self-administration?
- What do I have to do in which order to apply as PhD student?
- Where do I get help?

How do you get started?

Well, join the lunch meeting on the 7th of November, 2025 at 11:00 a.m. to find out how to navigate your PhD time here at the Otto von Guericke University.

Dr. Barbara Witter from the university's Graduate Academy will give an overview and try to answer all your questions.

Please join us at IBIO (Haus 91, room 001).

There will be time to answer your questions. Afterwards we will offer some snacks and drinks for a relaxed exchange.

Dr. Dana Zöllner | cbbs-gp@ovgu.de
