

Squad D Meeting

Synaptic changes and aberrant memory-related network excitability in hippocampal-posterior circuits with ageing

- 10:50 Welcome
- 11:00 Daniel Kluger, University of Münster
Respiratory modulation of excitability states in the human brain
- 12:00 Anil Menon, LIN
PhD project update
- 12:20 Kay Jüngling, University of Münster
Home Cage-based Phenotyping of Transgenic Lines: Insights into the NPSRI System
- 13:20 Lunch

13.02.2026

11:00 a.m.

LIN

Ebbinghaus Hall
